Subject: REB Submission #25-01-057

To whom it may concern,

I am writing to submit my application to the Research Ethics Board. Please find all required documents attached to this file.

Please also note that I have completed the required TCPS 2: CORE-2022 ethics training (certificate #XXXX).

Due to the minimal risk projected for this study, I request that this application undergo an expedited review.

I hope that the information contained in this application is sufficient to proceed and to warrant my application's swift approval.

With best regards,
